

RICHARD STARK

PARKER

Matadero

Adaptado e ilustrado por

DARWYN COOKE

BUFFALO, NEW YORK 1969

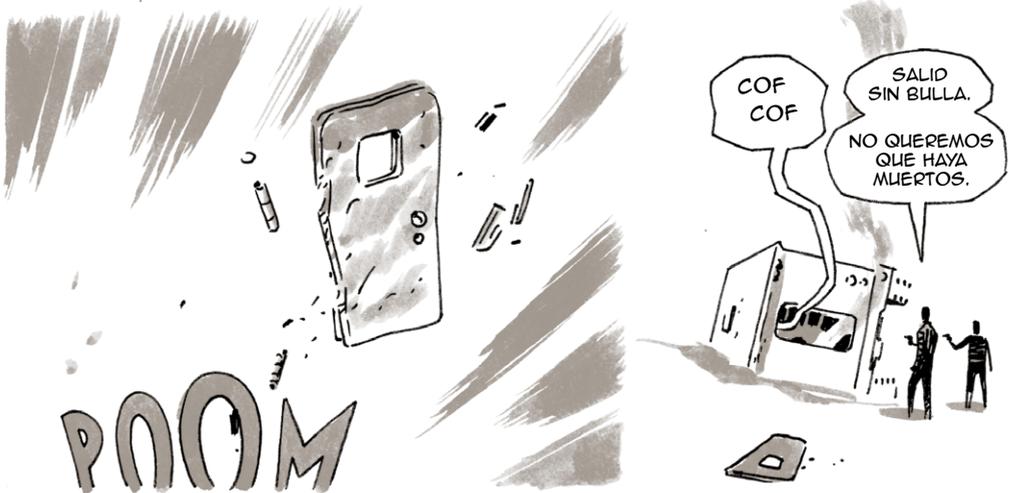

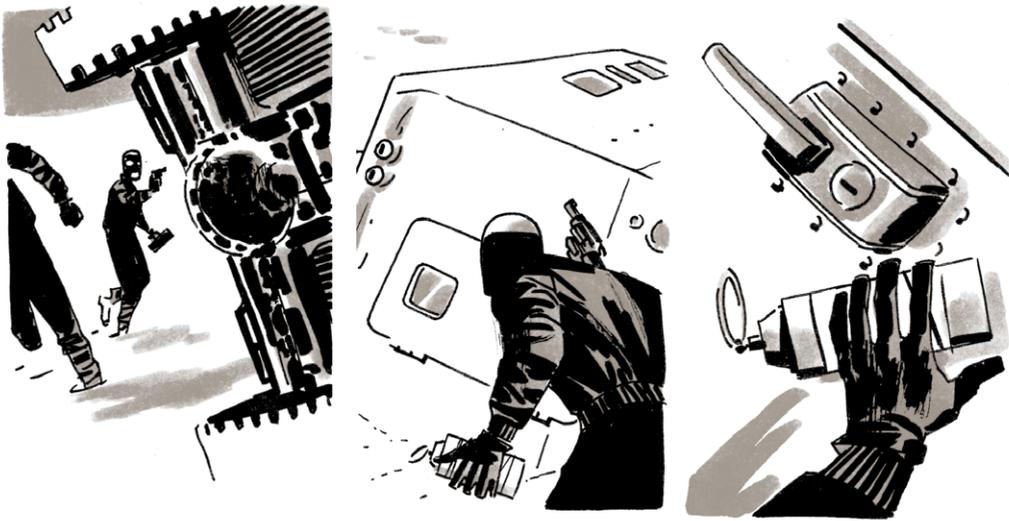

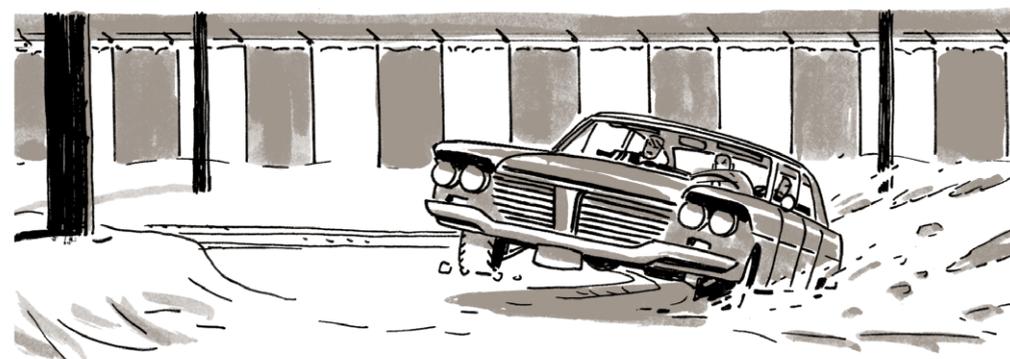

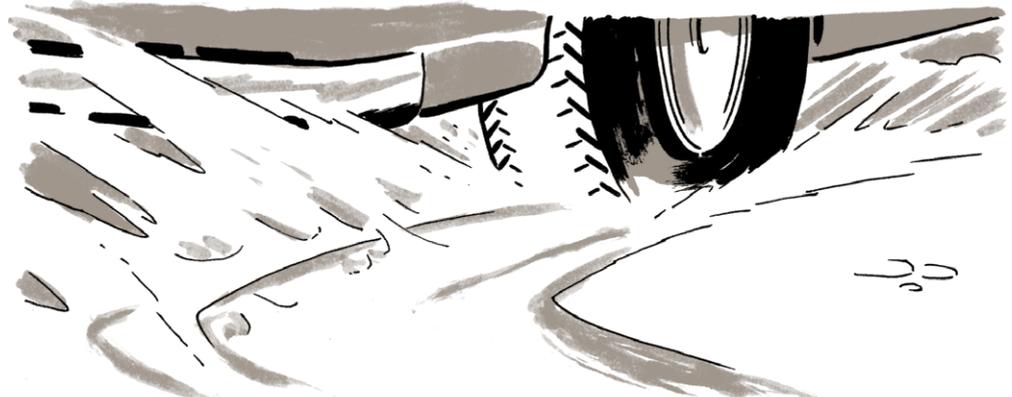

LIBRO UNO

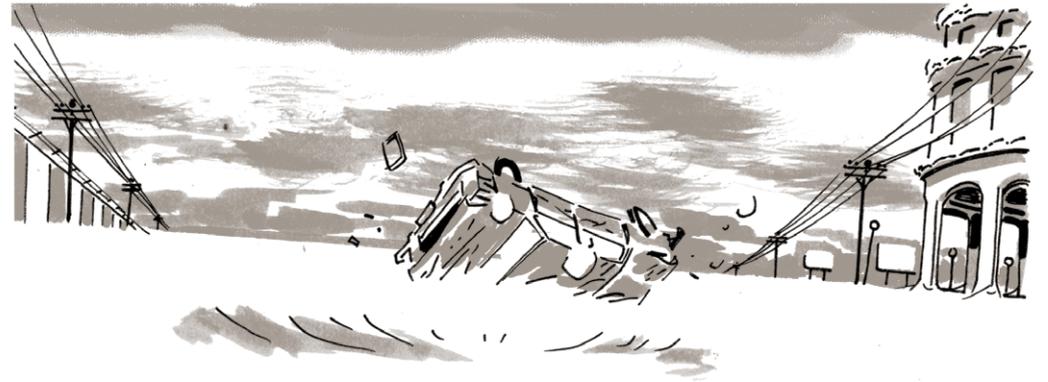

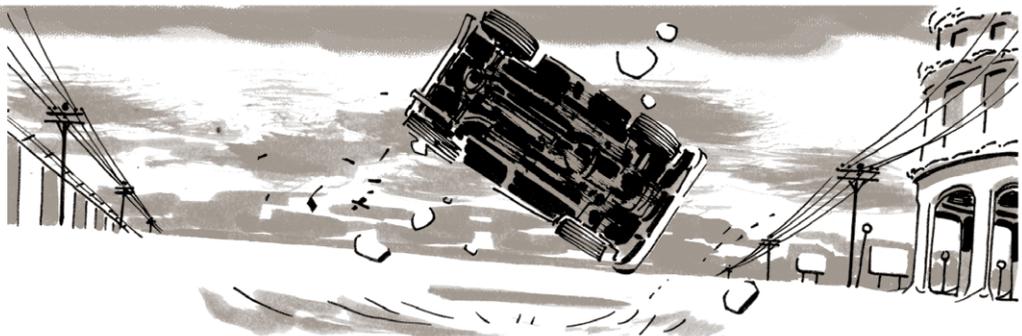

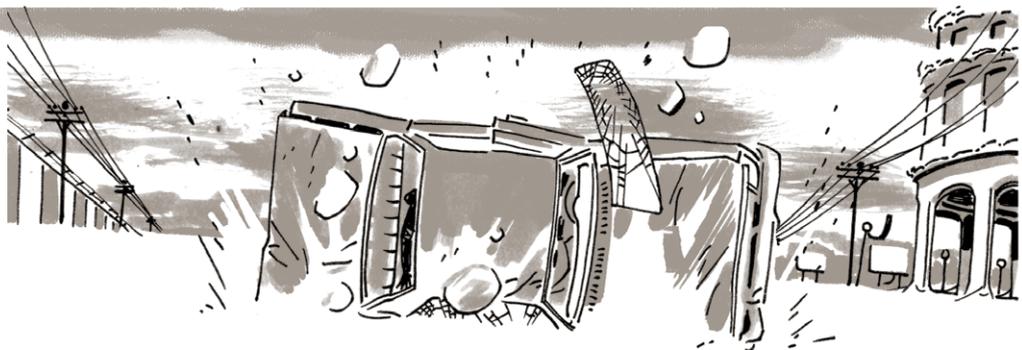

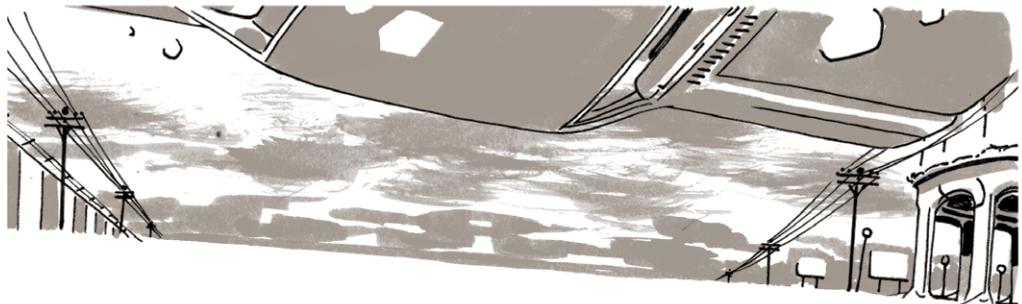

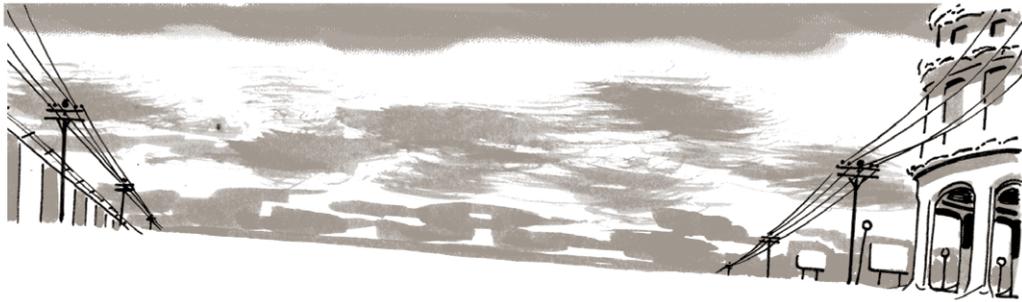

La mina
explotó justo
debajo del
furgón blindado.

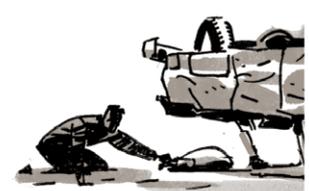

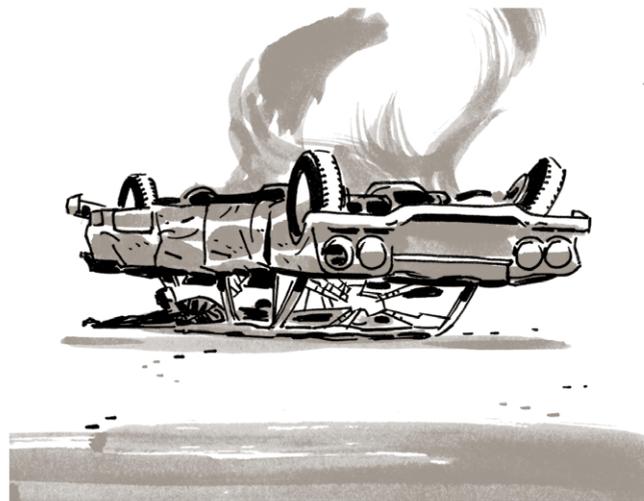

Un intenso aroma
metálico cubrió los
alrededores y el
eco de la explosión
pareció repercutir en
la fría atmósfera,
reverberando contra
los cables de alta
tensión en lo alto.

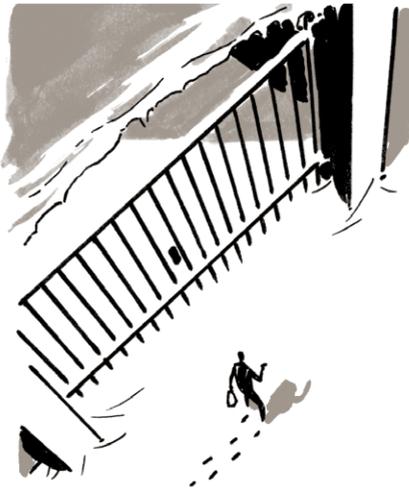

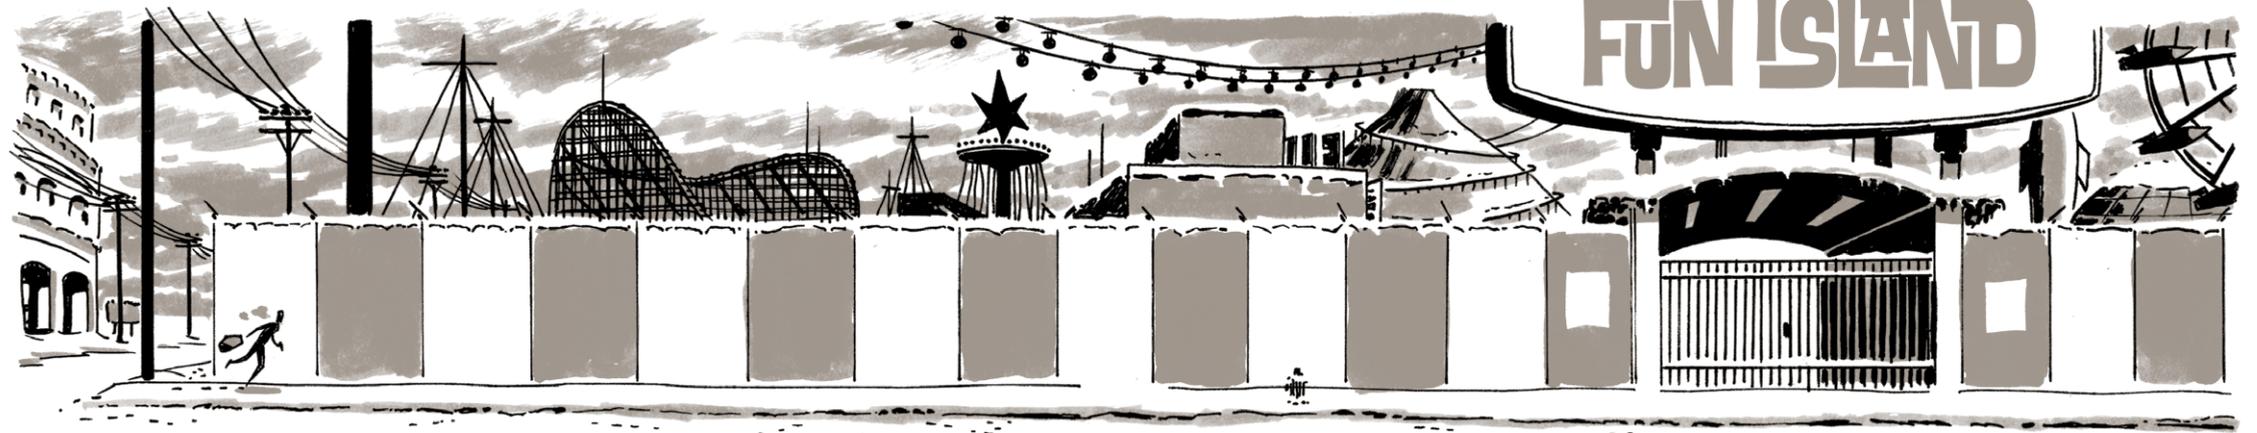

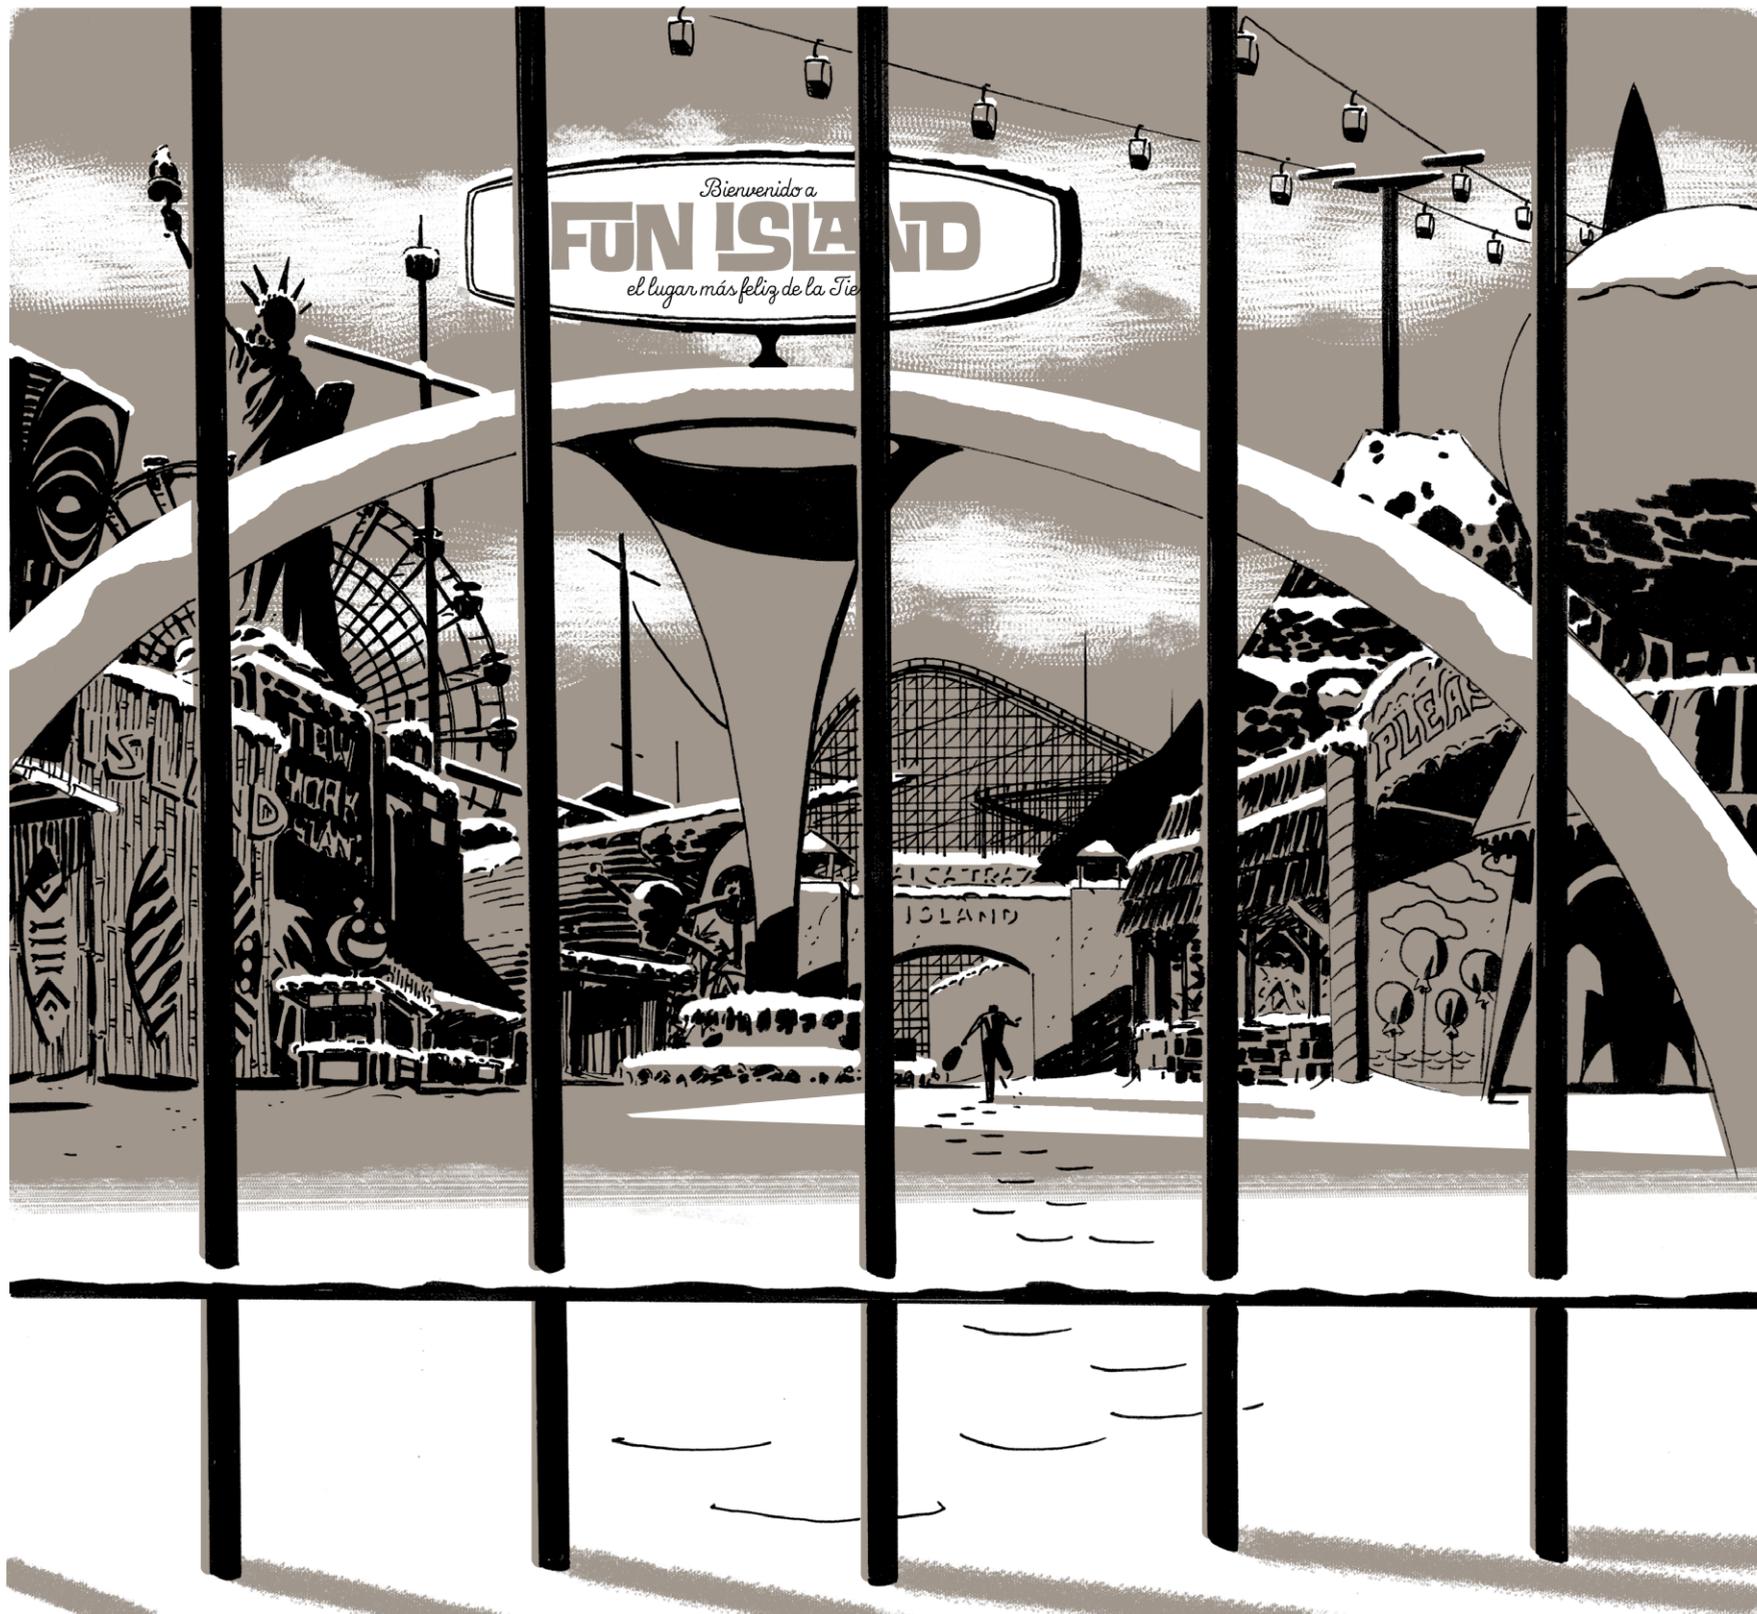

FUN ISLAND

Parker sonrió con
firantez al leer en
un gran cartel el
lema de Fun Island.

Se adentró en el
parque.
